12. You will be brought back to the consult report page where you can attach images, videos and documents pertaining to this patient when you scroll down the page. If you would like to add DICOM images you may add them manually under the DICOMs heading by clicking **+ Add DICOMs**.

The screenshot displays a web interface for a veterinary system, powered by Timeless Veterinary Systems. The top navigation bar includes 'Consults', 'Patients', and 'Schedule' menus, along with a 'Clinic Admin' user profile. The main content area is divided into four sections:

- DICOMs:** Features a header with '+ Add DICOMs' and 'Download All' buttons. A light blue box states, 'This section will only support .dcm & .dicom files.' Below is a table with columns: Name, Size (MB), Accession Number, Patient Name, Patient ID, Modality, Notes, and Added. The table is currently empty, showing 'No records were found.'
- Diagnostic Images & Clips:** Includes a '+ Add Images & Clips' button and indicates 'Total Entries: 0'.
- Documents & Lab Results:** Features '+ Add Document' and 'Share Documents' buttons. It contains a table with columns: Name, Size (MB), Type, Description, and Posted. The table is empty, showing 'No records were found.'
- Comments:** Has a text input field labeled 'Add a new comment' and a 'Share Comment' button. A 'Send notifications' checkbox is checked.

13. You will see that the Consult Status is currently Unsubmitted in the top right hand corner of the page. Under the Admin Details section, you can see what services have been requested and the total charge. When you are finished reviewing, click the green **Submit Consult For Processing** button at the top left of the page. You will be notified if there are any questions before the scheduled appointment and when your date/time has been confirmed.

The screenshot displays a web application interface for a veterinary clinic. At the top, there is a navigation bar with 'Consults', 'Patients', and 'Schedule' tabs, and a user profile icon. Below this is a progress bar with three steps: 'Step 1 - Patient/Clinician/Service(s)', 'Step 2 - Findings', and 'Step 3 - Submission'. The main content area is divided into several sections:

- Consult Details:** Includes a logo for 'KALEIDOSCOPE VETERINARY IMAGING', a 'Submit Consult for Processing' button (highlighted with a red box), 'Download' and 'Email' icons, and a 'Consult Actions' dropdown. The status is 'Unsubmitted' (highlighted with a red box). Other details include ID: KVI-2018-000002, Scheduled: 2018-06-25 00:00, and Updated: 2018-05-11 14:40.
- Clinic:** Lists details for 'Timeless Test Clinic' with an 'Edit' button.
- Patient:** Lists details for 'Archie' with a 'Profile' button and an 'Edit' button.
- Radiologist:** Lists details for 'Dr. Shelly Salwei DVM, DACVR'.
- Admin Details:** A table showing services and their charges. The 'Total Charge' is '\$335.00 USD' (highlighted with a red box).

Services	Total Charge	Notes	Invoiced
Single Examination (abdominal, thoracic, cervical, musculoskeletal, small parts) - \$285.00	\$335.00 USD		
Setup Fee for Biopsies - \$50.00
